Convergence Orlando:

We have received over 100 registrations thus far.

Requests for details on the postal mail processing. We have not received any mail from them as yet. The account had to be reopened with PO Plus.

Convergence Indy:

Down to the selection of the final two hotels, a Hilton and a Marriott. At the Hilton we would be the only big group. The Marriott would have a larger group on site at the same time. Working on marketing is going to be the next major hurdle.

Event planning kit:

Working with Indianapolis has helped to clarify the process. He has most of it written up and is finalizing it over the course of the year. Should be ready by the time we have convergence.

New club kit:

Frank will be contacting Orlando for advice. We have the club kit details ready to be loaded on the website. This should happen shortly.

New business:

Next call new Item: More thought about Ft Lauderdale being a Convergence. Cities in general.

Notice of dues needs to be sent out by the Treasurer.

Repayment of the lost funds has been proceeding as was agreed upon.

We set the next meeting for Sunday the 23rd at noon.
