Convergence Orlando:

Orlando is moving forward quickly. A la carte items have been added to the event and will be showing up on the website by next Friday. People from 25 states and 11 countries with nearly two dozen joining us from the UK. We have secured ongoing cross promotional sponsorship with Gay Days. We will have a table at the event this year to help promote the event. We may also have support through annheiser busch for further sponsorship. Our DJ has been secured and will be Shane Phoenix. Biggercity will be sponsoring hospitality and Security. Prices will be extended through June. We will be posting Daily packages as well as a Junior package for those under 26 (79\$ and no food).

Convergence 2011:

RFPs are out for San Francisco and Chicago for the event last year.

Event planning kit:

New club kit:

Frank has put together the documentation for new clubs and sent it off. There are still things that should be added, which we will be looking at. In the meanwhile, we will put up a placeholder document indicating that we are still compiling information to put together a robust solution.

New business:

Discussion was had on the part of G&M Indy withdrawing from the ABC. Michael indicates that we should not count them out quite yet.

We will be sending out an email to all the clubs asking what the clubs want to get from ABC. One immediate point of feedback is that individuals wish to have more support, in terms of knowledge and help from others in the community.

We had discussion on the membership of GMLB. Turnouts are not normally as good as they were in the past. We talked a bit around getting new people to the club, and resolved a communication issue with regards to new members getting in touch with the clubs.

We discussed the topic of replacing the VP. The decision was made to not elect an interum VP, but instead wait until Convergence to fill the office.

A notice of dues will be sent by the end of this week, with dues having to be received by the end of July for the club to be considered as a voting member for the annual meeting.

We set the next meeting for August the 1st at noon.

Ft laud moved to close the meeting Washington seconded. Meeting adjourned.
